Doc's Seafood Shack and Oyster Bar

opened in Orange Beach, AL in 1983. We serve
"The best fried shrimp in the entire civilized world!"
And Seafood Platter, we call it "The Super Seafood
Supper" it comes with a cup of FREE Gumbo. We also
have the "world's best gumbo", but it wasn't me that
came up with that bit because it's best not to be too
boastful.

Not much has changed in these past 41 years, the
décor is still the same. If you like minimalist you'll be
happy. The atmosphere is still comfortable, friendly, not
pretentious. You see, it is Doc's feeling that everyone
here is the President of something. And they just want
to be a kid again. Servers still show you how to make
the cocktail sauce if you haven't learned already. They
know the menu and they will help you gander (peruse)
the offerings.

We are just a collection of friendly people who are
really glad you are here.
